## HOW TO CITE RULES AND RSMO

### RULES

The rules are codified in the *Code of State Regulations* in this system–

Title		Division	Chapter	Rule
3	CSR	10-	4	.115
Department	<i>Code of State Regulations</i>	Agency Division	General area regulated	Specific area regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation, for example, 3 CSR 10-4.115 NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

WHEREAS, the Virgin Islands requests that Missouri provide military support, both personnel and equipment, beginning September 23, 2017, and continuing; and

WHEREAS, on September 20, 2017, I directed the Missouri National Guard to initiate efforts to comply with the Virgin Islands' request pursuant to the EMAC; and

WHEREAS, the EMAC is designed to protect the safety and welfare of the citizens in the affected participating EMAC States, including United States territories; and

ATTEST:

John R. Ashcroft  
Secretary of State

**U**nder this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

**E**ntirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

**A**n important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

**I**f an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

**A**n agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

**I**f an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:

**Boldface text indicates new matter.**

*[Bracketed text indicates matter being deleted.]*

The services covered and not covered, the limitations under which services are covered, and the maximum allowable fees for all covered services shall be determined by the division and shall be included in the MO HealthNet provider manuals, which are incorporated by reference and made a part of this rule as published by the Department of Social Services, MO HealthNet Division, 615 Howerton Court, Jefferson City, MO 65109, at its website [dss.mo.gov/mhd](http://dss.mo.gov/mhd), [November 16, 2015] **October 1, 2017**. This rule does not incorporate any subsequent amendments or additions.

**(3) Program Violations.**

(A) Sanctions may be imposed by the MO HealthNet agency against a provider for any one (1) or more of the following reasons:

1. Presenting, or causing to be presented, for payment any false or fraudulent claim for services or merchandise in the course of business related to MO HealthNet;

2. Submitting, or causing to be submitted, false information for the purpose of obtaining greater compensation than that to which the provider is entitled under applicable MO HealthNet program policies or rules, including, but not limited to, the billing or coding of services which results in payments in excess of the fee schedule for the service actually provided or billing or coding of services which results in payments in excess of the provider's charges to the general public for the same services or billing for higher level of service or increased number of units from those actually ordered or performed

or both, or altering or falsifying medical records to obtain or verify a greater payment than authorized by a fee schedule or reimbursement plan;

All records must be kept a minimum of five (5) years from the date of service unless a more specific provider regulation applies. The minimum five- (5-) year retention of records requirement continues to apply in the event of a change of ownership or discontinuing enrollment in MO HealthNet. Services billed to the MO HealthNet agency that are not adequately documented in the patient's medical records or for which there is no record that services were performed shall be considered a violation of this section. Copies of records must be provided upon request of the MO HealthNet agency or its authorized agents, regardless of the media in which they are kept. 5. Failing to provide and maintain quality, necessary, and appropriate services, including adequate staffing for long-term care facility MO HealthNet participants, within accepted medical community standards as adjudged by a body of peers, as set forth in both federal and state statutes or regulations. The discrepancies may be determined by a peer review committee, medical review teams, independent professional review teams, utilization review committees, or by Professional Standards Review Organizations (PSRO). The medical review may be conducted by qualified peers employed by the single state agency;

6. Engaging in conduct or performing an act deemed improper or abusive of the MO HealthNet program or continuing the conduct following notification that the conduct should cease. This will include inappropriate or improper actions relating to the management of participants' personal funds or other funds;

7. Breaching of the terms of the MO HealthNet provider agreement of any current written and published policies and procedures of the MO HealthNet program (Such policies and procedures are contained in provider manuals or bulletins which are incorporated by reference and made a part of this rule as published by the Department of Social Services, MO HealthNet Division, 615 Howerton Court, Jefferson City, MO 65109, at its website [www.dss.mo.gov/mhd](http://www.dss.mo.gov/mhd), [November 16, 2015] **October 1, 2017**. 12. Violating any laws, regulations, or code of ethics governing the conduct of occupations or professions or regulated industries. In addition to all other laws which would commonly be understood to govern or regulate the conduct of occupations, professions, or regulated industries, this provision shall include any violations of the civil or criminal laws of the United States, of Missouri, or any other state or territory, where the violation is reasonably related to the provider's qualifications, functions, or duties in any licensed or regulated profession or where an element of the violation is fraud, dishonesty, moral turpitude, or an act of violence;

13. Failing to meet standards required by state or federal law for participation (for example, licensure);

14. Exclusion from the Medicare program or any other federal health care program;

15. Failing to accept MO HealthNet payment as payment in full for covered services or collecting additional payment from a participant or responsible person, except this shall not apply to MO HealthNet services for which participants are responsible for payment of a copayment or coinsurance in accordance with 13 CSR 70-4.050 and 13 CSR 70-4.051;

21. Failing to repay or make arrangements for the repayment of identified overpayments or otherwise erroneous payments prior to the allowed forty-five (45) days which the provider has to refund the requested amount;

22. Billing the MO HealthNet program more than once for the same service when the billings were not caused by the single state agency or its agents;

23. Billing the state MO HealthNet program for services not provided prior to the date of billing (prebilling), except in the case of prepaid health plans or pharmacy claims submitted by point-of-service technology; whether or not the prebilling causes loss or harm to

the MO HealthNet program;

24. Failing to reverse or credit back to the medical assistance program (MO HealthNet) within thirty (30) days any pharmacy claims submitted to the agency that represent products or services not received by the participant; for example, prescriptions that were returned to stock because they were not picked up;

27. Making any payment to any person in return for referring an individual to the provider for the delivery of any goods or services for which payment may be made in whole or in part under MO HealthNet. Soliciting or receiving any payment from any person in return for referring an individual to another supplier of goods or services regardless of whether the supplier is a MO HealthNet provider for the delivery of any goods or services for which payment may be made in whole or in part under MO HealthNet is also prohibited. Payment includes, without limitation, any kickback, bribe, or rebate made, either directly or indirectly, in cash or in-kind;

28. Billing for services through an agent, which were upgraded from those actually ordered, performed; or billing or coding services, either directly or through an agent, in a manner that services are paid for as separate procedures when, in fact, the services were performed concurrently or sequentially and should have been billed or coded as integral components of a total service as prescribed in MO HealthNet policy for payment in a total payment less than the aggregate of the improperly separated services; or billing a higher level of service than is documented in the patient/client record; or unbundling procedure codes;

29. Conducting civil or criminal fraud against the MO HealthNet program or any other state Medicaid (medical assistance) program, or any criminal fraud related to the conduct of the provider's profession or business;

30. Having sanctions or any other adverse action invoked by another state Medicaid program;

33. 1. Employee's salaries were calculated using the annual salary multiplied by (29.78% \* Salary)+(10,308\*FTE) for fringe benefits and then divided by 2080 hours per year to determine the hourly salary. The hourly salary was then divided by 60 minutes to determine the cost per minute. The cost per minute was then multiplied by the amount of time individual staff spent on the processing of applications. The total cost was based on the cost per application multiplied by the estimated number of applications.
2. The committee anticipates one applicant to reapply for licensure. It is anticipated one applicant will request the committee office mail an application packet to them as the applications will be made available on the website.
3. It is anticipated that the total costs will recur for the life of the rule, may vary with inflation and are expected to increase at the rate projected by the Legislative Oversight Committee.

IV. ASSUMPTION

1. Employee's salaries were calculated using the annual salary multiplied by (29.78% \* Salary)+ (10,308\*FTE) for fringe benefits and then divided by 2080 hours per year to determine the hourly salary. The hourly salary was then divided by 60 minutes to determine the cost per minute. The cost per minute was then multiplied by the amount of time individual staff spent on the processing of applications. The total cost was based on the cost per application multiplied by the estimated number of applications.
2. The committee anticipates one applicant to reapply for licensure. It is anticipated one applicant will request the committee office mail an application packet to them as the applications will be made available on the website.
3. It is anticipated that the total costs will recur for the life of the rule, may vary with inflation and are expected to increase at the rate projected by the Legislative Oversight Committee.

**PROPOSED AMENDMENT**

**20 CSR 2263-2.060 Licensure by Reciprocity.** The board is amending subsection (1)(C) and section (2) and adding new section (3).

*PURPOSE:* This amendment changes the requirements for licensure by reciprocity.

(1) The committee may issue a license by reciprocity to individuals who meet the licensure requirements as set forth in the rules promulgated by the committee and provide the following:

(C) Verification form provided by the committee to be completed by the regulatory entity verifying that the individual holds a valid, unexpired license as a social worker in that state, territory, province, or country whose licensing or certification requirements at the time the application is submitted to the committee are substantially similar to those in Missouri **and verification that the individual has engaged in the active practice of social work for at least three (3) of the past five (5) years.** The applicant has the burden of providing the information necessary for determination of this issue.

1. The applicant for licensure by reciprocity shall furnish to the committee true and accurate copies of the licensure law from the state in which he/she is licensed and/or certified;

(2) *[Following the committee's review process,]* **If the committee determines that the applicant fails to meet the requirements for licensure by reciprocity,** the applicant for licensure by reciprocity shall be informed by letter that licensure by reciprocity has been denied. The denial letter shall identify the reasons for denial and **shall inform the applicant of the appeal process.**

(3) **Any applicant for licensure shall complete and officially file the application for licensure within an application window of one (1) year from the date the application is initially submitted to the committee. If an applicant fails to complete all requirements for licensure within the one- (1-) year period, then the application shall be deemed void. If the applicant wishes to pursue licensure after the expiration of the application window, the applicant must begin the application process again by submitting a new application and all applicable fees and comply with all other requirements as set forth in this rule for a complete and officially filed application. The applicant may make a written request to the committee to transfer to the new application file the previously submitted transcripts, any still valid test scores, and any other information submitted as part of the application process that is still current and valid. The committee has discretion to determine what portions of the application documents will transfer to the new application and which will not; however, the committee shall not approve the transfer of the results of any background check or fingerprinting requirement to the new application nor shall the committee waive any requirement for payment of any applicable fees for the new application.**

tions 590.030.5(1), 590.050, and 590.190, RSMo 2016, the director amends a rule as follows:

**11 CSR 75-15.020** Minimum Standards for Continuing Education Training **is amended**.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on July 17, 2017 (42 MoReg 1031). **Chapter 3—Rules Applying to Political Subdivisions**

**ORDER OF RULEMAKING**

By the authority vested in the Missouri State Auditor's Office under sections 29.100, 479.359, and 479.362, RSMo 2016, the auditor amends a rule as follows:

15 CSR 40-3.170 is amended.

A notice of proposed rulemaking containing the text of the proposed amendment was published in the *Missouri Register* on July 17, 2017 (42 MoReg 1031-1034). Those sections with changes are reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: A public hearing on this proposed amendment was held August 22, 2017, and the public comment period ended on August 24, 2017. At the public hearing, the State Auditor's Office staff explained the proposed amendment and no comments were received at the hearing. The State Auditor's Office staff submitted a comment. The State Auditor's Office received one (1) comment.

COMMENT: The staff of the State Auditor's Office made a comment regarding the proposed changes to the addendum form to be filed by counties, cities, towns, or villages as part of their annual financial report. This comment related to simplifying the addendum form, specifically to 1) change the e-mail address to [localgovernment@auditor.mo.gov](mailto:localgovernment@auditor.mo.gov); 2) remove the question referred to as A and then remove the B and C in front of the other questions; 3) add the month to the notary signature line; and 4) move the notice in the box at the bottom to instructions at the top of the page.

RESPONSE AND EXPLANATION OF CHANGE: The forms will be amended to reflect these changes and the revision number will be changed from Rev 6-2017 to Rev 12-2017.

COMMENT: Edward J. Sluys, with Curtis, Heinz, Garrett & O'Keefe, represents a number of municipalities. Mr. Sluys stated that these municipalities provide municipal court services for other communities by contract or contract with other municipalities for such services. His clients expressed concern that example D does not accurately reflect what occurs when municipalities contract with each other to provide municipal court services. When one city contracts with another to provide municipal court services that city retains a "municipal division" and does not cease to exist. The comment suggesting clarifying the example.

RESPONSE AND EXPLANATION OF CHANGE: Missouri State

Auditor's Office concurs that clarification is necessary. Subsection (8)(D) will be amended and subsection (8)(E) shall be added for clarity.

**15 CSR 40-3.170 Addendum Filed with the Auditor's Office**

(8) Examples.

(D) All ordinance violations for a city are adjudicated in the associate circuit division and not by a municipal division operated by that city. Because the city does not operate its own municipal court division, it does not need to file an addendum with its financial report filed under the procedures in 15 CSR 40-3.030.

(E) All ordinance violations for a City A are adjudicated in a municipal division located in City B under an agreement between the two cities. Because City A operates a municipal division through this agreement, City A must file an addendum with its financial report filed under the procedures in 15 CSR 40-3.030.
